

# Navy League of the United States Siam Council, Thailand

The Navy League of the United States - Siam Council, Thailand provides outstanding support to both visiting US sailors and marines as well as the Royal Thai Navy and Marine Corps. Your support of Navy League Siam would allow you to network with like-minded business leaders as well as have the possibility of interacting with sailors and marines.

The main mission of Navy League of the United States - Siam Council, Thailand is to:

- Provide hospitality and support to U.S. Navy and Royal Thai Navy vessels visiting and stationed on the Eastern Seaboard of Thailand.
- Educate the general public (both Thai and international) on the importance of our sea services towards ensuring open sea lanes, piracy prevention, humanitarian relief operations, and defense from rogue nations.
- Promote good relations between the United States and Thailand by organizing community relations projects for our visiting U.S. sea services to help those less fortunate in Thailand.

Navy League Siam sponsors many activities throughout the year, such as specialized tours of visiting vessels, networking opportunities, educational talks, excursions, and camaraderie. The benefits of organizational membership in the Navy League include:

- Networking amongst industry leaders and citizens in Thailand that support the sea services.
